

## A Quilt for the Favorite Second Born Son

*Hints & Other Disclaimers. RST=Right sides together. Always use a quarter inch seam allowance unless directed otherwise. Press your fabrics..don't iron. Ironing (pressing with gusto) will warp your blocks. We don't pre-wash our fabrics..so if you do your probably gonna want to buy extra in case it shrinks. Last but not least...if your getting frustrated, take a break and eat some chocolate before returning to your project. It's a proven fact that chocolate helps quilting. It's science..who are we to argue with Science?*

### Fabric Requirements:

One Moda Layer Cake or thirty three pre-cut 10" squares, in various shades and colors.

Fabric A: (setting triangles) 3 ½

Fabric B: (Borders) Three Yards

Binding: ¾ yard

### Cutting:

From Fabric A: (Triangles) Cut twelve 15" squares, cut each square once diagonally for 24 triangles (side triangles)

Cut three 8" squares. Cut twice diagonally for 12 triangles (corner triangles)

Fabric \*B:( Borders) Cut Nine 10" x w.o.f strips, Piece the strips together and then cut,  
Cut four 10" " x 54 1/4" rectangles, and two 10" " x 101 3/4" " rectangles \* note: The above measurements for the borders are based off of what things would measure according to mathematical equations. Measure your quit center before cutting...different pressing techniques, machine feet, can all account for slight variations.)

**Piecing:** Pay attention to the piecing diagrams so you don't get anything turned the wrong way. Semi helpful hint...we laid out all the squares and arranged them to our liking before we started sewing rows together..... You probably would have done that even if we hadn't of mentioned it

. Top & Bottom Rows Grab your 10" Squares . You only need 33 of them, so pick out your favorites. Grab four of them. To the bottom of each one, sew a corner triangle. To the top, sew a side triangle. Grab six more. To the top and bottoms sew a side triangle. --->

Now start piecing the top & Bottom row together. After sewing the squares together , press.

Then add the corner triangles for the top right and bottom left corners. Press again.

Sewing the Rows together....

<----- Sew two. (First & Last row)  
Sew Two: ( Second row, sixth row)----->

<-----Sew Two: ( Third row, fifth row)  
Sew One: Fourth row. ----->

Press the rows, then sew together.

Press Again. Trim 1/4" away from the points ( or corners) of the squares.

Assemble the quilt center with the sashing, rows, and borders following the piecing diagram. Quilt, Bind, Give to some one who needs comforting.

Idea: To add a personal touch, consider adding one big silhouette applique piece that reflect a special memory for the person your giving it to.
