Rules and Other guidelines. (Yes, there are rules.)

1. No whining about rules. *That will get you sent to the corner and we will make you fold fat quarters for us.*
2. Be courteous to others during meetings. Show up on time, cell phones off, you know, the usual. For the love..don't answer the phone during club meeting!!!! *(Mari just gets nosy and makes you describe the whole conversation in front of everyone just like that teacher you had that read the notes you were passing to your friend out loud in front of everybody....)* The teacher has ADHD and gets really distracted so maybe no talking in the meeting either...
3. Kits will be ready the day of class and will not be available for purchase before then.
4. If you fail to pick up your kit for more than two months in a row without communicating with us, you will be dropped from the roster, and will have to pay another registration fee if you want to pick up any remaining kits you don't have. (we waive this fee if you communicate with us.)
5. Budget for \$10.99 a month. Life will happen. If you can make it to the meetings, AWESOME, that's more money you can spend on fabric! However, if you don't attend and stay for the full meeting your kit will not be 50% off . No exceptions.
6. Occasionally we have to cancel meetings or flat out close the store due to weather conditions. Those decisions will be made based on the weather in our area. We will post the closure/cancellation on our Facebook page if possible. *(if there is no electricity or cell phone service we will be flat out of luck.)* But..we don't believe saving 50% of \$10.99 is worth risking your neck. So if the roads are bad in your area, stay home till it's better!
7. If we cancel, we will offer a make up classes on a different weekend, or allow one week where people can come in and pick up their kit for the discount and use their coupon for shopping.
8. The Quilt Blocks will not be revealed until that months meeting.
9. Our choice of Quilt layout will not be revealed until the last month.
10. The \$10.99 a month is for the block kit only. Sashing, borders, & other fabrics are on your dime. So use your "Quilt Club Coupons" and get creative!!!!
